Hello Michael,

While my colleagues are discussing the speaking engagement details with your bureau, I am happy to provide you with more general details of our invitation for your consideration.

We would be delighted if General Flynn would join us and share his insights as part of the RT's "Changes In The Global News Media Landscape" International Conference that will take place in Moscow on December 10, 2015. It will be the main event marking RT's 10th Anniversary celebrations. A cocktail reception will follow.

Here is a brief agenda of the conference:

December 10th, 2015

10am-4pm

Session 1: Presentation by PwC: "Cross-border news consumption and the demand for alternative perspectives on news." Presentation is followed by discussion panel with the senior editors of international news media organizations: "The challenges to the Anglo-Saxon news media monopoly."

Session 2: Discussion panel with foreign policy experts: "Geopolitics 2015 and Russia's changing role in the world."

Session 3: Discussion panel with media experts: "Who started the InfoWar"

7:30pm-10:30pm

Reception

The conference will welcome hundreds of journalists, foreign policy analysts and economics experts from all over the world to discuss the shifts that the international news media space has undergone over the last decade, RT's role in this space, and how wider geopolitical context is affecting and being affected by these changes.

RT will be delighted to cover all expenses related to travel, transportation and accommodation for the duration of the event.

Here is a program of the visit we would suggest:

December 9th (local) – arriving.

December 10th - conference and reception

December 11th –sightseeing incl. Kremlin, Art Museums, RT's Headquarters, Bolshoi Theater ( all together or whatever you choose)

December 12th – departure

If you require any further information, please do not hesitate to contact me whenever you need.

And looking forward to seeing General Flynn in Moscow!

Sincerely,

Veronica Volokhonovich
